It is understood the quantities of work to be done at unit prices are approximate and are intended for bidding purposes only. Amounts are to be shown in both words and figures. In case of discrepancy the amount shown in words shall govern.

Bidder must bid Schedule 1, 2, and 3 plus alternates.

The contract award will be based on the lowest qualified bid for the base bid or the lowest qualified bid for the base bid plus any combination of alternate and additive bids that the Agent/Owner chooses, depending on the availability of funds.

Bidders understand the Agent reserves the right to reject any bid and the right to waive technicalities if such waiver is in the best interest of the Owner or Agent and conforms to State and local laws and ordinances pertaining to the letting of construction contracts. Funding availability will be considered in selecting the bid award. The bidder agrees this bid shall be honored and may not be withdrawn for a period of 60 calendar days after the scheduled closing time for receiving bids.

Upon receipt of the written "Notice of Award", the bidder will execute the formal contract agreement within 14 days and deliver a surety bond or bonds as required under the contract documents. The bid security attached, two percent (2%) of the total bid price stated in the bid, in the sum of \$_____ is to become the property of the Agent in the event the contract is not executed as set forth in the contract documents as liquidated damages for the delay and additional expense caused thereby.

Bidder hereby agrees to commence work under this contract on or before a date to be specified in a written "Notice to Proceed" and to fully complete the project within 210 calendar days thereafter. Bidder further agrees to pay as liquidated damages the sum of \$1000.00 for each calendar day to complete the work beyond the allotted time or as extended by an approved Change Order or Supplemental Agreement.
